Manager John A. Holland of the Norwich K. of C. baseball club is getting together the strongest aggregation of ball players that has represented Norwich in years. The infield and outfield are already signed and one pitcher and catcher. He is communicating with another pitcher and will probably come to terms later. The three outfielders and the third baseman are left-hand hitters.

The season will be opened on the home grounds on Sunday, May 36, with a very fast semi-pro team from Bridgeport, a team that has an established reputation. This team will also play on Monday, May 31, Decoration day. The management are giving this club a very liberal guarantee to secure them and it is hoped the public will do their share. The management has received an invitation from Pittsfield, Mass., council through Massachuster of allay in Holyada Sent 4 North.

From all reports Bulkeley hasn't any-thing remarkable in the shape of ball-players and will probably depend on their indomitable spirit to win today's game. The old fighting spirit is a great asset, but it never wins games of itself alone and it's a known fact that a bunch of hits will take it out of even the best of teams.

The Academy boys looked fine yes-terday afternoon at practice, performing in a manner that would do credit to many a college team. If they play any-where near their normal capacity by the third inning Bulkeley's indomitable (?) spirit will have departed to such an ex-tent that it will take a very sturdy outja board to locate it, or whatever they use to get in touch with the dead ones.
